

About us

The address of our website is: <http://www.integrale2000.it/>

The data controller is: INTEGRALE S.r.l. Via Rimini, 49 - 59100 Prato – Italy.

This Notice is intended as information within the meaning of art. 13 of the Privacy Code and of arts. 13 and 14 of the GDPR Regulations (EU) 2016/679.

What personal information we collect and why we collect it

The data collected by this website, independently or by third parties, is: cookies, usage data, e-mail, company, telephone number, name and surname.

The personal data can be entered voluntarily by users or collected independently during use of this website. The use of cookies, collected by this website or by operators of third-party services, is intended to record users and their preferences for purposes closely related to the service requested by the user. Failure by the user to provide certain personal data may prevent this website from providing its services.

Users assume the responsibility for third-party Personal Data that is published or shared through this Website and assures the fact that they are entitled to communicate or disseminate it, exempting the data controller from any third-party liability.

The data controller will process the personal data of users adopting the security measures necessary to prevent access, disclosure or unauthorised destruction of it.

The data is processed through information technology, strictly related to the purposes indicated.

Contact form

By completing the contact forms on this website with their personal data, users consent to its use to satisfy the requests for information or for any other nature indicated by the title of the form.

The data collected is: e-mail, company, website, name and surname.

Contact Form for subscription to the newsletter

By completing the contact forms on this website with their personal data, users consent to its use to subscribe to the newsletter service.

The data will be stored and processed through the company database.

The collected data is: e-mail address.

Cookies

This website uses cookies for statistical purposes to monitor traffic on this website.

Cookies are small text files used by websites in order to make the user experience efficient.

The law states that we can store cookies on your device if they are strictly necessary for operation of this website.

This website uses different types of cookies.

Some cookies are placed by third-party services that appear on our pages.

Your consent applies to the following website <http://www.integrale2000.it/>

For further information please refer to our cookie policy

Disabling cookies

For further information on how to set preferences on the use of cookies through your browser, you can consult the relevant instructions:

[Internet Explorer](#)

[Firefox](#)

[Chrome](#)

[Safari](#)

Alternatively, it is possible to disable the individual non-requested services through the following

link: <http://www.youronlinechoices.com/it/le-tue-scelte>

Content embedded by other websites

The contents of this website may include embedded content (such as videos, images, articles, etc.). Content embedded by other websites behave exactly the same way as if the visitor had visited the other website.

These websites may collect data about you, use cookies, integrate additional third-party tracking, and monitor interaction with that embedded content, including tracking your interaction with embedded content if you have an account with them.

LinkedIn and Facebook

This site uses LinkedIn and Facebook plugs, for an easiest interaction of the User with the social media page of the company.

Personal data collected: Cookies and usage data.

For further information, refer to the privacy policy of [LinkedIn](#) and [Facebook](#).

Analytics

This site uses data analysis services such as Google Analytics.

Google Analytics is a web analytics service provided by "Google Inc". Google uses the personal data collected for the purpose of evaluating and examining the user of this website and in order to share it with other services developed by Google.

Google may use the data collected to contextualise and personalise ads on its advertising network.

Personal data collected: Cookies and usage data.

For further information, refer to the [privacy policy](#) of Google.

The length of time we keep your data

The processing of personal data is carried out predominantly by using electronic procedures and media for the time strictly necessary to achieve the purposes for which the data was collected, however, in accordance with the principles of lawfulness and correctness, not excessively and with the relevance provided for by current legislation.

The personal data may be processed by means of hard copy and computer files (including portable devices) and processed in the manner strictly necessary to fulfill the purposes specified above.

What rights you have with regard to your data

If you have subscribed to our newsletter, you can request deletion of your e-mail address from our archives. You will receive an e-mail confirmation of the cancellation.

This does not include data that we are obliged to keep for administrative, legal or security purposes.

Users are entitled to complain to a control authority (an Authority for the protection of personal data - www.garanteprivacy.it).

Changes to the information

The possible entry into force of new laws, as well as the examination and updating of User services, could result in a need to change the methods and terms described in this Information. This document may therefore change over time. We therefore invite you to periodically consult this page.

Contact information

Users are entitled to request the deletion and the sending of their data at the following e-mail address of the data controller staff@integrale2000.it

Definitions and legal references:

- **personal data (or data):** this is any personal information which directly or indirectly, in connection with any other information, including a personal identification number, could identify or make identifiable an individual;
- **user:** an individual who uses the website that, unless otherwise specified, is also the interested party;
- **the data controller:** the natural or legal person, a public authority, agency or other body which alone, or jointly with others, determines the aims and means of personal data processing and the tools adopted, including the security measures related to the operation and use of gegad.com;
- **this website:** the hardware or software tool by which the user personal data is collected;
- **cookies:** a small portion of data stored inside the user device.
